MUSSELBURGH

Julia Kruszelnicka - April 2007
I LIVE IN MUSSELBURGH. HERE IS SOME INFORMATION ABOUT THE TOWN.
This is the River Esk. There are lots of ducks, geese and swans. There is grass next to the river. People walk dogs and play with them. There are lots of bridges. Some bridges are for walking over and some are for driving.
This is the park. It is very beautiful I had a picnic on the grass with my mum. I flew my kite and played on the swing. There are lots of trees in the park. We could build a tree house with my dad.
Here is the swimming pool in Musselburgh
The Swimming Pool is quite big. I go to the swimming pool with my mum and my friends Brogan and Hayley. Before swimming I put on my costume and my goggles. After swimming I dry myself with a towel. We play with a ball and we swim under water. After swimming we go to the cafe. We eat chips and sweets and we drink juice.
This is Musselburgh Grammar School. It is next to the swimming pool. It is bigger than my school. All secondary school children go to the Grammar School and my sister used to go to the same school.
This is my school. It is called the Burgh Primary School.
I played the violin for two years in Poland. I am still playing the violin in this school. My violin teacher teaches me on a Monday afternoon.
I have lots of friends. Hayley and Brogan help me with my work and they help me in the play ground.
This is my art teacher Mr Connell. He has taught me to draw with pastels. I like art because I am good at it and my mum helps with art in my class.
I like most of my teachers because they are helpful, kind and funny.

This is my teacher Mrs Ratter. She teaches me Maths.
This is my teacher Miss Reid. She teaches me spelling.
This is Miss Elgin. She teaches me English.

This is Mrs Storey. She teaches me English too.
